

# CERNE ABBAS

SOCIETY *for*

# HORTICULTURE

(CASH)

## C.A.S.H.

The village horticultural society was established 25 years ago and serves to foster an interest in growing flowers and vegetables throughout the Cerne Valley. In addition to hosting an annual show in the village hall, the society organises visiting speakers, outings to local and regional gardens, arranges discounted compost deliveries and, in cooperation with The Gardens Group, offers discount garden-centre shopping in Sherborne and Dorchester.

Membership is £6 per annum and is open to anyone who lives in the Cerne Valley area. Please e-mail [cerneabbashorticulture@gmail.com](mailto:cerneabbashorticulture@gmail.com) or contact any of the named below for further information.
